PROFESSIONAL PROFILE

Licensed Architect and Researcher specializing in the regeneration of "**Healing Environments**" and inclusive learning spaces. My professional practice merges the technical precision of **Architectural Restoration** and **NZEB Design** (Nearly Zero Energy Buildings) with the methodological depth of **Universal Design for Learning (UDL)**. Through a human-centered and biodynamic approach, I transform physical spaces into active catalysts for psychological well-being and social inclusion.

CORE COMPETENCIES

- **Regenerative Architecture & Health:** Expert in historic preservation, sustainable urban transformation, and research on "Healthy Cities".
- **Special Pedagogy & Inclusion:** Strategic application of UDL to remove physical, sensory, and cognitive barriers. Specialist in neurodiversity support (Autism, ADHD, AAC).
- **Strategic Governance & PNRR:** Extensive experience in managing complex government-funded projects (PNRR), public procurement (RUP), and institutional coordination.

PROFESSIONAL EXPERIENCE

Educational Leadership & Strategic Innovation

Ministry of Education and Merit (Italy) | 2019 – Present

- **Strategic Inclusion Coordinator:** Managed institutional governance for disability and Special Educational Needs (SEN); implemented ICF and UDL frameworks school-wide.
- **PNRR Project Designer (Futura & I Care Projects):** Developed mentoring programs to combat school dropout rates by redesigning the student-environment relationship.

- **RUP & Crowdfunding Lead:** Directed the "Il Cortile al Centro" project (CRC Foundation), a case study on participatory architecture as a pedagogical tool.
- **Specialized Faculty:** Expert teacher in Art, Technology, and Special Education (ADMM).

International Research & Academic Coordination

Northeastern University, Boston (MA, USA) | 2019

- **Visiting Scholar (Department of Economics):** Developed human-centered urban regeneration models within the MAPS-LED international research program.

University Mediterranea of Reggio Calabria | 2015 – 2021

- **Scientific Coordinator:** Supervised international architecture conferences in Ischia (ArchitetturaXArte) focusing on the relationship between art and space.
- **Academic Tutor:** Provided teaching assistance in Architectural Design Laboratories and technical tutoring for international heritage workshops.

EDUCATION & CREDENTIALS

- **Specialization in Special Education (ADMM):** 30/30 Grade, 2025.
